Notes from Dr. B.

1. I have published articles in national and international dental and orthodontic journals. (7 articles are in dental and orthodontic journals and 4 articles are in engineering related topics.)
2. I have an orthodontic patent.
3. I regularly lectures.
4. I always exceed my continuing education State of Michigan requirements.
5. I am a technical advisor to MSU Mechanical Engineering Senior Design Course.
6. I have a degree in engineering from MSU, which is very helpful in orthodontics.
7. I have two degrees from the prestigious University of Michigan in Dentistry and Orthodontics and has attended 6 other Colleges and Universities including Harvard and Boston College.
8. My goal is to be as well prepared as possible and to provide you with the best treatment available.

**Our January Superstar Patient
is Sheree Nelson.
Congratulations!!**
